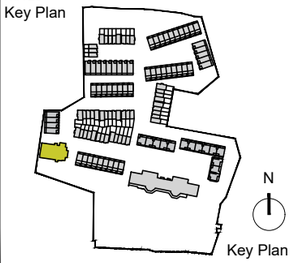
NOTES

Key Plan



Legend:

1. External envelope of exiting structure will be conserved in accordance with best practice involving necessary repairs to the existing slate roof where required
2. Inspection and repair where required of lead and stone weathering details
3. Conservation of wall masonry including localised re-pointing of lime mortar joints where needed
4. Conservation of existing windows and external doors.

Please refer to John Cronin & Associates Built Heritage Appraisal report to be read in conjunction with this drawing.
